10724 WINDING STREAM WAY

This Waterlefe Golf & River Club estate home has it all -- golfing, boating, cooking, entertaining, work/study and relaxation. The home backs up to the 12th hole/13th tee of Waterlefe Golf Club's championship course. From the dock in the back yard, you're minutes to water fun on the Manatee River and Tampa Bay. Both living and family rooms have sliding glass doors to the expansive screened-in outdoor living area which includes heated pool/spa, outdoor kitchen and covered patio — the perfect indoor-outdoor space to enjoy the Florida lifestyle. The kitchen is a cook's delight with high-end KitchenAid appliances, solid-wood cabinets, lots of counter space, eat-in counter and closet pantry.

For the quiet side of life, 5 bedrooms and 4 baths provide privacy for everyone. The master retreat is fabulous with two walk-in closets, sitting area and sliding glass doors to the patio and pool — ideal for indulging in a morning or evening swim. The ensuite master bath has dual vanities, jetted tub and walk-in shower. The remaining bedrooms are on the other side of the house and include an upstairs guest room with ensuite bath.

This fresh and open, light-filled beauty promotes a modern sense of tranquility and casual living. Just north of Lakewood Ranch and east of I-75, nearby amenities include groceries, shopping, restaurants and health care. With a championship golf course, a fine dining facility overlooking the Manatee River, and a marina with direct access to the Gulf, Florida living doesn't get any better than this.
